attn: Examiner Ewoldt

NEEDLE & ROSENBERG, P.C.
Suite 1200, The Candler Building
127 Peachtree Street, N.E.
Atlanta, Georgia 30303-1811

March 13, 2001

Sir:

In the Office Action dated December 15, 2000, the Examiner restricted the application, requiring an election between three groups of claims. The Office Action also included a Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, a copy of which is enclosed. Applicants respond as indicated below. In addition, prior to examination of the application on the merits, applicants respectfully

B
